Floor: Fantastic wooden purpose built dance floor, perfect for busting out your fancy dance shoes, if you fancy!

Manchester Lindy will be supplying jugs of water and plastic cups, and probably some squash. Please respect the environment and reuse your cup if possible.

This venue is not licensed, so bring your own booze if you are that way inclined!

Some extra information:

Manchester is pretty nuts right now. A second tram route is being built across the city centre and there are roadworks everywhere. Trams are still running, but not as frequently as usual, so allow extra time for tram journeys.

On Monday 5th October the Conservative party conference start in Manchester. This will be preceded by a demonstration and rally by the TUC on Sunday 4th October. The demo takes place in the city centre and officially starts at 12 noon, hopefully our early start will mean we are unaffected.

If you would like to get involved in the anti austerity protests and are saddened by the clash, there are further events throughout the week:

<http://www.thepeoplesassembly.org.uk/manctimetable>

There is a shopping mall adjacent to the venue (hilariously, in it's 1960's heyday it was Britain's biggest indoor shopping centre) with a small Tesco (and Greggs? pound Bakery/ Holland and Barrett) inside, open from 8am-6pm on Saturday and 10am to 4pm on Sunday. There is an enormous late night Mc Donald's across the way. Stretford has an enormous super Tesco about 5 minutes drive from St Matt's, open til Midnight on Saturday night (and 11am til 5pm on Sunday). If you are planning to eat out between the Saturday workshop and the social dance, we suggest you travel to neighbouring areas Sale or Urmston, where you will have more choice (rather than deciding between branches of Tesco)!
